

**COMPANY OVERVIEW**

**Bendpro is a specialist in tube/pipe bending, rolling, hydraulics and fabrication.**

- Bending range from 3mm tube – 100nb pipe in 3D scale with push roll and dual stack capability.
- Nationwide service – FIS
- Winner 2019 – Defence Industry Awards SME of the Year - Regional
- Traceability of manufactured components
- QMI lean manufacturing principles including 5S factory standards
- Trade qualified staff in management and production
- 35 year company history
- 96% DIFOT (12 month avg)
- Key industries – Transport, Health, Defence, Agriculture, Construction

**KEY CUSTOMERS**

- **Varley** – preferred supplier for CNC tube/pipe bending & end forming. Land 121 (various components), Hawkei framing, JSF, Super Hornet access handrails, Ambulance rails, FES S&R Components.
- **Thales** – end forming and bending  
NGB Sonobuoy (Arm Tube), various components indirectly
- **Milspec Manufacturing** – CNC tube bending and processing  
Land 121 Phase 3B - RMMVA gunner stand
- **Holmwood Highgate** – CNC tube bending  
Land 121 Phase 3B - RMMVA tanker modules
- **Bale Defence** - CNC tube bending and end forming  
BARRA OBM kits, RTV-D-JDF ROPS system chromoly bending
- **Craig International Ballistics** – CNC tube bending and fabrication  
Ballistic panel edge protections, riot squad shield handles
- **Haulmark** – CNC bending – pipe & SHS  
Land 121 Phase 3B - RMMVA trailer module gates and framing
- **Eniquet** – CNC bending and fabrication  
Generator framing

**Other key customers:** Birdon, RPC, Volvo, Bombardier, Downer, UGL, Komatsu, Parker Hannifin, Pirtek, Toyota Material Handling, QMW

**CAPABILITIES**

**Bending/Rolling**

- 5 x CNC Mandrel Bending machines (core competency)
- Solid Bar Bending
- Section Rolling
- 2&3 Axis Rolling

**Fabrication**

- Welding (MIG & TIG)
- Notching, Drilling, Machining, Threading, Punching, Tube end forming & hydraulics
- Finish/Coating - powdercoating, zinc, HDG, polishing

**DISCRIMINATORS**

- Romer 3D measuring technology
- 3 axis and 7 axis CNC Mandrel Bending - including push roll capability
- Largest tooling range in Australia for contract bending – 200+ dies sets
- Mean Bendpro employment – 6 years
- <1% NCR rate
